

## Tips for transferring to UW-Madison

# TO MAJOR IN: INTERNATIONAL STUDIES

---

Below we list course recommendations for current Madison College students intending to transfer to UW-Madison to major in International Studies.

### **GENERAL EDUCATION REQUIREMENTS** (Intended for students who matriculated Fall2007 or later)

Taking these courses before you transfer to UW-Madison will save you time...

**Take your Communication A (Comm-A).** Madison College course options include: ENGLISH (801): 201, 205 & 206 or SPEECH (810): 201.

**Take your Quantitative Reasoning A (QR-A).** Madison College course options include: MATH (804): 195, 197, 210, 211, 212, 228, 229, or SOCSCI (809): 264.

**Take other courses in humanities, literature, ethnic studies, foreign language or physical sciences.** These classes are College of Letters & Science breadth requirements and will be helpful even if you decide not to major in International Studies. Note: The International Studies major satisfies students' QR-B for the BA or BS degree. For more information on college breadth requirements, refer to [BABS2007](#).

### **Classes to take at MATC:**

**Take Economics 101** [SOCSCI (809) 143 or SOCSCI (809) 212]. Econ 101 is a pre-requisite to declaring the International Studies Major. Students need a 2.0 GPA or higher in order to declare the International Studies Major. **This class will also count as your QR-B general education requirement.**

**Take Economics 102** [SOCSCI (809) 211]. Econ 102 is a pre-requisite to declaring the International Studies Major. Students need a 2.0 GPA or higher in order to declare the International Studies Major.

**We recommend students start taking their Language Sequence** at Madison College. The International Studies Major requires student to have 5<sup>th</sup> semester proficiency in a Foreign Language. That is, 5 semesters in the SAME language at the college level (high school credits do not count; 2 semesters of Spanish and 3 semesters of Russian do not count). Students can start their language sequence at MATC by selecting the intended language, taking the appropriate placement test, and enrolling. Example: MATC FLANG (802) 212 = UW-Madison Spanish 102
